C.O.R.E. PROGRAM DESCRIPTION

WHY WE'RE HERE

My job is to:

- Explain The Program & Answer Your Questions
- Review Health Questions & Your Medications
- Find Something Comfortable In Your Budget
- Between Your Health & Budget See If You Can Qualify

WHAT MAKES US DIFFERENT?

Today, many people buy these types of plans by <u>Mail</u>, <u>Internet</u> or <u>TV</u>.

These plans are **usually different from their actual wishes:**

- Waiting Periods
- Increasing Premiums and/or Reduced Benefits
- May Cover Accidental Death Only
- ✦ Plans are often designed to expire before you do

TERM LIFE INSURANCE = TEMPORARY COVERAGE

- ✦ You'll need to *re-qualify* at your current age- premiums will increase
- Any changes in your health mean premiums can increase more
- The real possibility of being **declined** leaving <u>nothing</u> for your loved ones

YOU MAY BE ABLE TO QUALIFY FOR A PLAN WITHOUT THESE LIMITATIONS & RESTRICTIONS

MOST PEOPLE REQUEST INFORMATION FOR ONE OF THESE REASONS

- 1. They *do not have any protection* and are worried about leaving a large burden on their loved ones.
- 2. They *have some protection* or a traditional life policy, but could use more.
- 3. They have adequate protection but want to leave a *legacy gift* for a special person like a child or grandchild, or to a charity like a place of worship.

Which one of these best applies to you?

FINAL EXPENSE FUNDING – YOUR OPTIONS

OPTION 1 - Do <u>NOTHING</u> - We all know this is <u>really not an option</u>. Because it's NOT about YOU! It's about the <u>loved ones</u> you left behind and making sure you don't create a *financial hardship for <u>them</u>*.

OPTION 2 - Acquire a <u>PRE-PAID PLAN</u> from a local funeral home - This is a VERY COSTLY option! If you don't have the funds to <u>pay in full</u>, you will have to make payments to the funeral home with <u>finance charges</u> being added to the balance. If you pass prior to the balance being paid in full, your loved ones may be responsible for any <u>unpaid balance</u>. And if you should move away for any reason arrangements are <u>not transferrable</u>!

OPTION 3 – Qualify for a <u>GUARANTEED FINAL EXPENSE PLAN</u> - This is ultimately the Best Option. With a Guaranteed Final Expense Plan, you will make <u>affordable</u> monthly premiums into a Whole Life plan that provides an *immediate death benefit** with the protection you desire. When you pass, your loved ones will have *no remaining payments*, even if you passed the day after your first payment and approval by the company.

With a Final Expense Plan, your rates and benefits are *guaranteed never to change*...

- 6. Best Of All, *No Medical Exam* Is Necessary.

In order for me to find the best plan for you, with the biggest discounts, I need to ask you a few health questions, is that OK?

QUALIFYING

- Are you currently employed, on social security, or receiving disability? Is the payment deposited to your bank account or to a pre-paid/direct express card?
- Have you ever been diagnosed with congestive heart failure, cancer, diabetes, or had an organ transplant?
- Are you currently using oxygen, taking nitro, or been diagnosed with COPD?
- Have you had any major surgeries in the last 2 years?
- What medicines has your doctor prescribed?

YOUR COMFORTABLE BUDGET

- The most important thing for me is to find something that is completely comfortable in your budget - month in and month out
- Considering birthdays, holidays and the special occasions, without drastically affecting your lifestyle
- If we can even get you qualified today, and I don't know if we can, what amount would be comfortable for you on a monthly basis?
